I. Registration Holds

Before Pre-Registration and Add/Drop begin, ensure that you do not have any holds on your student account as these can prevent you from participating.

Check your hold status via [Student Services Online (SSOL)](https://www.law.columbia.edu/student-services), where you will find guidance on the four types of holds that will prevent registration when placed on a student’s record:

<table>
<thead>
<tr>
<th>Name of Hold:</th>
<th>Only the office that placed the hold may remove it:</th>

<tr>
<td>Pro Bono Hold (applies to JD students only)</td>
<td>Office of Public Interest/Public Service Law and Careers (Pro Bono Program)</td>
</tr>
</tbody>

*This hold is managed by PI/PS and will not show up on LawNet or SSOL.

After contacting the office responsible for managing the hold, please allow 24 hours for the hold to clear on SSOL. Once the hold has been removed please email registrar@law.columbia.edu.

Registration Services, Student Services, and the Office of Graduate Degree Programs cannot remove Financial, Immunization, or Pro Bono holds.

III. Choosing Courses

The first step in Pre-Registration is to identify the courses you might want to take.

NOTE: Please review the course types that are included in and excluded from Pre-Registration:

Three tools that you can utilize to identify courses of interest to you:

- Curriculum Guide
- Course Evaluations
- Degree Requirement Status (DRS) Report (for JDs only via LawNet)

➤ Curriculum Guide

Up-to-date course information can be found in the Law School’s online Curriculum Guide. To find courses, you can search using a range of criteria:

- Course level
- Course type
- Method of Evaluation
- Area of Study
- Instructor
- Day and time
- Writing Credit
- New course

NOTE: To conduct a course search, you must select at least one criterion in addition to semester.
Once you perform a search, you have two options for saving the course information:

1. *Create an Excel spreadsheet*, by clicking the “Download Search Results” button. This will download the course title, instructor, schedule, type, points, semester, and course number.

2. *Create a list of “Favorite Courses”* by clicking the hearts next to the course title (this requires you to log in at the prompt). You can then click ‘My Favorite Courses’ to produce the list of courses you have saved, which will include course descriptions and method of evaluation in addition to the information downloaded in the Excel spreadsheet. You will also be able to access this information in LawNet when you add courses to your Pre-Registration choices.
Course Evaluations

Reviewing student evaluations of the courses taught in previous semesters can help you identify courses of interest to you. Course Evaluations can be found under “Course Evaluation Reports” under the Student Services menu in LawNet.

Once you search for courses of interest, you will see a list of all courses that meet the search criteria you set:

When you click on “View Report,” you will be able to choose the evaluation statistics and/or students comments:

➢ **Degree Requirement Status (DRS) Report (for JDs)**

JDs should also review their Degree Requirement Status (DRS) Report in LawNet.

This report allows you to see:

- Number of points taken and those outstanding for completion of the JD
- Number of points counting toward the specific limits:
  - Law School points
  - Non-regularly scheduled classes
    - Service as a Teaching Fellow
    - Moot Court
    - Journals
    - Supervised Research
    - Research Assistant
    - Externship Fieldwork
    - Non-Law School points
  - Clinics and externships
  - Faculty-Directed Reading Groups
- Requirements that have been completed, are in progress or outstanding
  - Major Writing
  - Minor Writing
  - Experiential Credit
  - Professional Responsibility
  - Legislation Regulation

Students pursuing a dual degree should note that the DRS does not currently track their degree requirements and should discuss their academic progress and plans with an academic advisor from Student Services.

**If you have questions regarding graduation requirements or your progress towards graduation, please discuss with an academic advisor.**
IV. How to Pre-Register

Pre-Registration is NOT time sensitive/first-come, first served. You can change your selections at any time during the Pre-Registration period.

Adding Courses

Once you log into LawNet, select ‘Pre-Registration’ under the ‘Registration Services’ menu and you will see this screen:

To begin Pre-Registration click on “Add Course”.

You will then have three options for identifying courses to add to your Pre-Registration choices:

- Browse all available courses – this will show you all of the semester courses;
- Add from My Favorites – this will show you all of the semester courses you identified as your favorites in the Curriculum Guide;
- Search courses – this enables you to reproduce the search functionality of the Curriculum Guide.

*Images in this handbook are samples from previous semesters.*
Whichever search mode you utilize, the results will be presented in alphabetical order (note: the name of all seminars start with an ‘S.’ prefix):

<table>
<thead>
<tr>

<th></th>
</tr>
</thead>
</table>

To add a course to your Pre-Registration selection, click on the green plus (+) button and you will see this screen:
Adding Primary and Alternate Choices

Having added one primary course choice to your Pre-Registration selection as described earlier, you can continue to add primary and alternate courses up to the limits based on your class standing:

- 3Ls and LLMs – can pre-register for up to 6 primary and 6 alternate courses
- 2Ls – can pre-register for up to 8 primary and 8 alternate courses

Primary course choices:

- To add – click on the green plus button to add a new course
- To change the order of priority of a primary choice – click on the course box and drag it above or below other classes on your Pre-Registration List

Alternate course choices:

- To add – click ‘add alternative’ option in the primary course box
- To change the order of priority of an alternate choice – click “delete” to remove the course from the relevant primary course choice and add it to a different primary course choice by clicking “add alternative” under the primary course choice.

You can continue to add, move, and delete primary and alternate course choices until the close of Pre-Registration. At that time, your Pre-Registration choices will be finalized and you cannot make any further changes, though you can access the record of your selections through LawNet.

Adding and Dropping Courses

Dropping Courses

To drop a course, click on the red X button in the top right-hand corner of the course.

You will see a pop message to confirm the course you are dropping:

![Pop message]

✓ You are responsible for ensuring that you remain in full-time status:
  o J.D.s may register for no fewer than 12 points
  o LL.M.s may register for no fewer than 11 points

▪ If you do not see a red X, you are not able to drop that course on LawNet.
  o This is the case for:
    ▪ Externships – email the Externships Office and CC the Director Externships and Field-Based Learning;
    ▪ Clinics – email the Clinics Office;
    ▪ Permission Courses – email the instructor for permission to drop and forward the instructor’s reply to Registration Services.
Adding Courses

To register for a new course, click on the green plus button or the "Add a New Course" link at the top of the page.

You will then be able to search for courses using the same functionality and search criteria used to search for courses during pre-registration.

If your selected course has available seats, click on the green plus sign to add yourself to the class:
To add yourself to the waitlist of a course that is closed (i.e. does not currently have any available seats), click on the hourglass.

You can start a new search or refine your search criteria by clicking on the buttons at the top. If you would like to return to your registration list to view your current schedule, you can click on "My Current Registration" at any time.

Because there is considerable movement in waitlists and available seats throughout the Add/Drop period, you are strongly encouraged to frequently visit the LawNet Add/Drop application to monitor changes in available courses.
Waitlists

- **Waitlisted Seats**
  - If the Lottery cannot assign you a seat, it will assign you either a waitlist seat or a reserved seat.

- **Reserved Seats**
  When you have a reserved seat, it means that a spot is being held for you but you will need to resolve a registration conflict.

When a course is closed, your waitlist number is listed here.

Click here after resolving your conflicts to add the course.

Click here to drop from the waitlist.
